

HURRICANE HELPER PROGRAM

The City of Wellington in conjunction with the CVO and the Wellington Radio Club has developed a program where residents can assist residents, specifically during a hurricane event. As we plan for the future, we need your assistance to determine the need and number of potential users of this program. This program is designed for residents, who have a need for the services being offered for pre and post hurricanes.

If you would qualify for this program, please mail or drop off this pre-registration form at any City location before August 1, 2010. Applications received after this date will be considered as time and resources allow. Completion of the form does not guarantee immediate approval. Based on the needs of our community, we will create teams to fulfill those needs:

**Hurricane Helper Program
1100 Wellington Trace
Wellington, Florida 33414
561-791-4796**
